Signature

Sir:

Sir:

This submission is in response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures dated April 27, 2001. Submitted herewith are a paper and computer readable form of the sequence listing of those sequences in the captioned patent application.

The sequence listing is the same as the paper copy of the

The computer readable form of the sequence listing is the same as the paper copy of the sequence listing. The sequence information provided in the Specification is also the same as the sequence listing of the enclosed computer readable and paper forms of the sequence listing.

Please enter the enclosed sequence listing in place of the originally filed sequence listing.  
The submitted sequence listing does not introduce new matter into the patent application.

Respectfully submitted.
